

WELFARE PLAN 2022

The Organising Committee of Wallingford Long Distance Sculls ("Organising Committee") believes that the welfare and wellbeing of all children is paramount. All children, regardless of age, gender, ethnicity, religion or ability have equal rights to safety and protection. All suspicions, concerns and allegations or harm will be taken seriously and responded to swiftly and appropriately.

A Welfare Officer for the competition will be appointed annually and will act as the point of contact for any concerns or allegations. Their contact number will be posted in the boating area throughout the duration of the competition. A network of radios is spread along the course. In the event of an emergency please contact the nearest event official.

Reporting Structure

If you have any concerns regarding welfare of children at the Event these should, in the first instance be raised with the Welfare Officer. If the concern is considered to be a serious issue then it will be discussed with the Chairman of the Organising Committee and Chief Umpire, a decision will be made by them as to the most appropriate course of action, this may include contacting the British Rowing Child Welfare Officer, or in extreme cases Thames Valley Police. If it is a minor issue then the Welfare Officer is able to take the appropriate action without consulting the other members of the Organising Committee.
